LB 859, 786, 786A

has been interpreted in such a way that it will completely void the entire unclaimed properties act. I move that we advance LB 859 to E & R Initial.

SPEAKER LUEDTKE: All right, there are other matters on the desk. Okay, there are none? Okay, the motion is to advance LB 859. Senator F. Lewis, was that on another matter that you have your light on? You wish to speak to this matter? All right, the motion then is the advance of LB 859. All those in favor vote aye, opposed vote nay. Record the vote.

CLERK: 25 ayes, 1 nay, Mr. President, on the motion to advance.

SPEAKER LUEDTKE: LB 859 advanced to E & R Initial. Motion on the desk.

CLERK: Mr. President, in order in which I received them, Senator Duis moves to overrule the Speaker's order and take up LB 554 on General File.

SPEAKER LUEDTKE: Chair recognizes Senator Duis.

SENATOR DUIS: Mr. President, members of the Legislature, this bill was on the consent calendar at the top and it was taken off by several who thought that they desired to have it off of there because of a vote against it in committee. I think that we have some agreement here now in regard to it and it is a necessary bill because it will uphold a court decision. Senator DeCamp has the amendment for it, and it was adopted I think in committee. This would be a good bill and it would certainly help the sexual sociopath situation in Nebraska.

SPEAKER LUEDTKE: Motion is to change the Speaker's order to take up LB 554 at this time. Any further discussion? Senator Fowler.

SENATOR FOWLER: Yesterday you may recall on General File I was trying to add a bill out of your banking committee to another bill. You indicated that if we got to consent calendar you would be willing to assist me with that bill, it was 786 the Health Maintenance Organization Licensing Act. Would you be willing to help with that consent bill to just add that to your motion? Recall yesterday I was amending 786 the HMO bill into another bill and you objected and suggested that I wait until we get to bills on consent calendar. At that time you would assist me. I was just wondering if you would assist me putting 786 into your motion? And 786A if Senator Stoney wants it.

SPEAKER LUEDTKE: Senator Duis, do you want to answer?

SENATOR FOWLER: Mr. Clerk, can that just be included in his motion? I can't hear you?

SPEAKER LUEDTKE: Your motion to take up 554 and what is it? 786? What is the number?

SENATOR FOWLER: 786 and 786A.

SENATOR DUIS: Yes, I certainly would if it can be done.
